## FOR IMMEDIATE RELEASE

### Transforming Safety and Compliance: Golf Industry Guru Partners with The Toolbox

#### Introducing The Toolbox - The Ultimate EHS Software for Golf Clubs and Turf Care Facilities

**Vancouver, October 15, 2023** - Golf Industry Guru, a leading authority in online golf industry staff training solutions, is thrilled to announce an exciting partnership with The Toolbox, a cutting-edge Environment, Health, & Safety (EHS) Software Platform based in Australia designed to create a culture of safety at golf clubs and sports turf organizations. This collaboration marks a significant milestone in enhancing golf club safety and compliance practices across North America.

States James Cronk, Co-Founder of GIG, "At Golf Industry Guru, we understand from our clients the vital importance of safety and compliance in the golf and sports turf industry. With this in mind, we are proud to partner with The Toolbox, a revolutionary EHS solution founded by Ben Gibson, a true visionary in the field. Ben's commitment to creating safer work environments aligns perfectly with our mission to elevate industry standards and help clubs and their team members be more successful".

The Toolbox offers a comprehensive suite of EHS solutions designed to centralize safety management and compliance for golf clubs and turf facilities. From real-time insights to streamlined employee management, The Toolbox empowers organizations to create a culture of safety and excellence.

***"The Toolbox system is the best Health & Safety platform I have seen, and I have seen and used a lot of them!" - Lee Strutt, Director of Agronomy, Cabot Cape Breton.***

Ben Gibson states, "As our first Canadian based client, Cabot Cape Breton's support of The Toolbox is a testament to its transformative impact on safety and compliance. By joining forces with Golf Industry Guru in North America, The Toolbox Team is excited to bring our safety platform to golf course owners and operators across North America".
